### Macro Update:

#### Banks' deposit base expands slightly

Banks' aggressive drive for funds has finally pushed up the deposit growth, easing the cash crunch that has crippled the banking sector in recent months. Yet, the growth in loans, which was nearly 17% in June this year, is still significantly higher than the deposit growth, creating a likelihood for asset-liability mismatch.

#### Chinese investors keen on power sector

Chinese investors are keen to park their funds in Bangladesh's power sector as there is a huge room for investment, said a top diplomat. "The Chinese government, financial institutions and the companies are quite interested to provide support in the power sector of Bangladesh," said Li Guangjun, economic and commercial counsellor of the embassy of China in Bangladesh.
