Weekly Observation

Index showing signs of recovery despite 36 point weekly loss

The benchmark DSEX index lost ~36.2 points, a 0.61% loss over the last trading week. The index opened the week in continuation of the broad bearish tendency of the market, which saw index lose ~140 points in the preceding week. The first two trading days of the week saw a combined ~130 point loss but index rebounded with index gains through the rest of the week. But the combined index gain of ~96 points could not outmatch the loss in the first two days and the weekly net movement of the index was negative. Market participation has remained low with BDT 3.73 billion average turnover throughout the week (0.3% lower compared to avg. turnover of previous week). Among the major market sectors, Cement and Engineering gained 3.55% and 0.50% whereas Bank, Food & Allied and NBF sectors registered the highest losses with -1.95%, -1.63% and -1.35% index returns respectively. The extreme movements in Food & Allied and Cement sectors have been caused by sharp movement in two large stocks, BATBC and LHCL respectively. Average Trade Volume decreased by 15.6% whereas total number of trades increased by 12.5% due to one extra trading day in the week. 113 stocks gave positive returns over the week while 201 stocks were in the red and market cap of 24 stocks remained the same.

Among the economic issues, Foreign direct investment in the country declined by 13.5% to USD 2.02 billion in 2017 from USD 2.33 billion a year ago. There have been a few positive developments in terms of infrastructure development. A Chinese consortium is set to build a 1,320 megawatt coal based power plant at Mirersarai in Chittagong and The Asian Development Bank (ADB) is interested in financing a second Padma Bridge as well as other large-scale infrastructure projects if Bangladesh wants. Also, Bangladesh's electricity import from India will double to 1,200 MW by June this year, said Indian High Commissioner. The much-awaited USD 3.0 billion (BDT 247.49 billion) Chinese loan for the Padma Bridge railway link mega project is likely to be confirmed next month.

Top gaining stocks of the week were BANGAS (+18.35%), SAVAREFR (+14.55%) and EBL1STMF (+13.19%). Conversely, top losing stocks were DUTCHBANGL (-12.26%), ASIANS (-9.46%), and 1STPRIMFMF (-8.57%). SQRPHARMA topped the weekly turnover list followed by IFADAUTOS, UNIQUEHRL, OLYMPIC, GP and BXPHERMA.
